AOC USB Powered Monitor Special

AOC 15.6" LED Portable USB Powered Monitor:

A 16-inch portable plug-and-play monitor that receives both power and video signal through a single USB connection.

With a built-in pivoting stand and hardened glass screen, this portable monitor may become the accessory of choice for workers on the road.

The AOC 16-inch USB Monitor (e1649fwu) puts a 15.6-inch display into a slim 2.4-pound package, offering 1366-by-768 resolution.

Compatible with both laptop and desktop PCs, and additional USB monitors can be connected for dual- and multiple-monitor configurations

*Includes Free:
Delivery, installation & testing.*

Qualify for a laptop cooling pad for only R 100
